

EN :

The stone is the first natural material which man used for construction. It gives comfort and warmth, a feeling of peace and harmony. Beautiful and exclusive material forming the unique character to any interior and exterior. Modern design elements can be perfectly aligned with traditional materials such as stone.

We specialize in production and wholesale of natural stones and offer a wide range of different kinds of stone (about 50 items) such as gneiss, marble, limestone, sandstone, quartzite, sandstone, garden decor stones – alpineum and other.
